

Renewal regulations
2024/2025 YEAR

ESCUELA UNIVERSITARIA
DE ARTES @ taiarts.com
RECOLETOS-22 MADRID

1. Purpose.

The purpose of this call for applications is the renewal of studies for the 2024-2025 academic year, for the entire student body of the center.

This renovation process is carried out to have the best foresight and with the purpose of continuous improvement in terms of group planning, venues and student ratios. All of this, with the aim of continuing to grow together inside the largest Arts Campus in Spain.

2. Renewal period subject to discount.

The following period is established for the renewal of discounted studies:

- From April 18th 2024 to April 30th 2024, a 2 % discount will be applied.
- No discount will be applied from May 1st on.

The discount is applied to the full tuition fee.

The discount is not cumulative with other types of grants or scholarships from the center.

3. Renewal of studies period.

The following period is established for the renewal of studies:

- From April 18th 2024 to July 5th 2024 for Bachelor's Degrees.
- From April 18th 2024 to July 12th 2024 for Diplomas.

It is very important to consider that the allocation of class schedules and places will be made in strict order of enrollment.

Once the established periods have concluded, the center will not be able to guarantee any renewal. The student may only apply for renewal appealment, which must be approved by the Admissions Department.

All applications approved by appeal are subject to a 10% surcharge on the tuition fee for administrative and management costs.

If you have any questions, please do not hesitate to contact the Admissions Department.
